America in the Thirties

By Dennis Hickey, Marnie M. Sullivan, Brian R. Sheridan, John Robert Greene

Syracuse University Press. Paperback. Book Condition: new. BRAND NEW, America in the Thirties, Dennis Hickey, Marnie M. Sullivan, Brian R. Sheridan, John Robert Greene, As the newest addition to the America in the Twentieth Century series, this book explores the complexity of America in what is considered its darkest era of the century. The decade stood in stark contrast to the carefree, happy-go-lucky days of the Roaring Twenties when prosperity appeared endless. The Stock Market Crash in October 1929 and the economic collapse it unleashed threatened the very foundations of America's economic, political, and social institutions. The ecological disaster produced by the Dust Bowl ravaging the Great Plains only added to the suffering and misery. Yet the decade was not just one mired in complete disorder. The 1930s were also a vibrant period of innovation, transformation, and in some cases, even optimism. Politics, beginning with Herbert Hoover and continuing with Franklin Roosevelt, underwent a fundamental transformation, ushering in an activist state and firmly establishing the idea that through prudent federal policies, it was possible not only to orchestrate an economic recovery but also to prevent future economic downturns. Workers, African Americans, ethnic Americans, and women responded to the era's challenges through their...
