Evolution of Loving (Hardback)

By Carl Studna

Motivational Press, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. We live in a culture where romantic illusions about love abound. From movies and ballads and fairy tales, we learn the idea that somewhere out there exists that one special person who will fulfill all of our desires and make our hearts - and our lives - complete. And we're taught that once we find the right person, we will simply live Happily Ever After without any conscious effort on our part. By the time we're young adults, most of us have had the experience of falling in love, but very few of us are equipped with the skills and insights needed to sustain that love, or to create a healthy, lasting, and evolving partnership. In truth, love is a verb: a regular practice, and a moment-by-moment, deliberate choice. It's not an experience that just happens to us, but an environment that we create and then nourish with our ongoing commitment and attention. Few of us are skilled in the practice of love, but approaching it as a practice is precisely what is required, both for the longevity of our relationships and for...
