GOD IS PRO CHOICE (PAPERBACK)

Eastland Enterprises, Incorporated, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As a culture or as a society we seem to have short memories. We have already tried making abortion illegal. It was a dismal failure. Now history is trying to repeat itself because no one remembers the dead babies in the garbage cans. No one remembers the women and girls who committed suicide because of having to carry the babies of rapist and child molesters. It s time to stop attacking the people. Many of them are victims of a miss managed society. It s time to change our culture. It s time to change our society into something with built in protection s for our girls and our women. We can destroy abortion by making sure unwanted pregnancies are diminished.
