Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from *Hispanic American Bibliographies: Including Collective Biographies, Histories of Literature and Selected General Works* It is the compiler's intention to publish from time to time in the hispanic american historical review supplementary lists of bio bibliographical contributions to include current publications and also those that may not have been recorded in the present list. However, in this note to the special reprint edition it seems desirable to note the more important titles that have accumulated since the last part of the list was sent to the printer. By a regrettable oversight, Dr. Charles Carroll Marden's *Notes for a bibliography of American Spanish* (studies in honor of A. Marshall Elliott, Baltimore, Johns Hopkins press, 1911, p. 267 - 292) was omitted. This work, while modestly denominated *Notes* by the scholarly author, is in reality a comprehensive repertory of the literature of the subject prepared by one who is himself a specialist in the field. Dr. Marden is preparing a second edition in which he will incorporate the numerous contributions to the literature of the subject which have appeared since 1911. Of the series of *Hispanic American biographical repertories* prepared by William Belmont Parker under the auspices of the Hispanic Society of America, the following are to be noted in addition to the two included in the list: *Bolivians of to-day*, New York, 1920 (xiv, 319 p.) *Chileans of to-day*, New York, 1920 (xix, 633 p.) *Paraguayans of to-day*, New York, 1920 (xv, 315 p.) *Peruvians of to-day*, Lima, 1919 (xix, 616 p.) This series of works forms a rather comprehensive and exceedingly valuable *Who's Who* of Hispanic America. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books....
