

Electronic Money Flows: The Molding of a New Financial Order

Filesize: 7.31 MB

Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

ELECTRONIC MONEY FLOWS: THE MOLDING OF A NEW FINANCIAL ORDER

[DOWNLOAD PDF](#)

Springer. Paperback. Book Condition: New. Paperback. 225 pages. Dimensions: 9.1in. x 6.1in. x 0.7in. Electronic Money Flows describes the far-reaching present changes under way in payments and capital markets. Electronic payment forms are in the process of molding a new financial regime—largely shared and inter dependent—throughout the world. Our earlier Electronic Funds Transfers and Payments (Kluwer, 1987) looked at the new money technology in its initial phases of development and in broad focus. Then, as now, the contributors came from many different disciplines. The synthesis of their diverse views laid out the background for the electronic payments revolution to come, and the great benefits but also risks for segmented sectors of society. The old questions have not gone away; new ones have been added to the agenda. For example, what is the nature of money today amidst an array of computer-based options? What money and turnover concepts are appropriate to the electronic age? What are the effects of high-speed money flows on markets, volatility, money control, even the business cycle? Is the financial system more prone to instability but also to faster correction, given the swift movement of money and payments? At the same time, is privacy imperilled by the ubiquitous computer-linked webs that move both information and money? This second book is thus companion to Electronic Funds Transfers and Payments and expands upon it. Contributors discuss the expectations that have and have not come to fruition, together with the new issues of the past four years. This item ships from multiple locations. Your book may arrive from Roseburg, OR, or La Vergne, TN. Paperback.
