Brand New Book ***** Print on Demand *****.The Magic Polar Bear Book Series by Laurel Sobol *** Laurel Marie Sobol Amazon Bookstore /// The world is changing very fast. Global warming is a real world issue and the inhabitants of the entire globe will likely feel it s effects. The polar bears will be some of nature s first animals to feel the impact as the ice packs and glaciers melt. This new book about polar bears is about two special bears named Glacia and Snow Glow who are different from other bears of the great far north. They want to see the world, make note of it s special qualities, and bring back what they see to their home land. Then they want to share their findings with the world. Snow Glow and Glacia knew that the world their parents had known before they were born was changing forever. They knew that they would have to change too in order to survive in a world that was going through changes like global warming and other things. Snow Glow said reflectively and in a low...
