Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Anatomy and Physiology of the Eye: With Hints for the Preservation of the Eyesight In this work it has been the author s endeavor to omit all strictly scientific and medical conclusions. In an effort to popularize facts and accepted theories, he has made use of his own library on the subject, as well as gathered all available material. In consequence, he does not claim entire originality in the work. He trusts that his attempt to render this branch of science intelligible to the general reader will meet with success. This done he will feel repaid for all the labor involved in the preparation of a work of this kind. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
