

## Textbook of Preventive and Social Medicine, Third Edition

By Piyush Gupta

CBS Publishers & Distributors Pvt. Ltd., 2010. Softcover. Condition: New. 3rd edition. The present book is unique in purpose, scope, and places itself in a category of its own, distinctly different from the usual textbooks on `Preventive Medicine`. The concise text, with emphasis on practical orientation, succinctly covers latest data and figures in vital statistics, morbidity indicators, diseases burden and national health programs. It should portend the arousal of interest in clinicians and make them equally aware of their important role and responsibilities in primary health care. Ranging from pediatric to geriatric health, it vividly describes aspects of new threats to new and old diseases, old threats to old diseases, as also brings into focus the emerging areas and newer and underlined the much needed integrative approach. The book primarily addressed to undergraduate and postgraduate medical students, will also be useful for courses in medicine, community health, nutrition, social sciences, health management and nursing. Printed Pages: 841.

### Reviews

*Most of these publication is the perfect ebook accessible. It is amongst the most awesome publication i have got read through. You wont truly feel monotony at whenever you want of the time (that's what catalogs are for regarding in the event you request me).*

*-- Prof. Edgar Kshlerin*

*It is easy in study safer to comprehend. It can be writter in basic phrases and never confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*-- Emmitt Harber*
