Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

THE FINE ART OF HOLDING YOUR BREATH

Collins Mark Books. Paperback. Condition: New. 326 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Secrets like war have their own casualties. MacKenna's mother died when she was a baby, a casualty of the first Gulf War. Now seventeen, MacKenna has spent her life navigating the minefield of her dad's moods, certain of one thing: she is destined to follow in her mother's combat boots. But when she pursues an ROTC scholarship, she finds herself at war before even enlisting. Her father forbids her from joining the military, inexplicable considering he raised her to be a warrior princess. MacKenna turns to her grandmother, who arms her with an ammo crate containing her mother's personal effects from the war. Hidden in the crate's false bottom is a journal, one her mom stashed there hours before her death. While MacKenna untangles the secrets of her parents' tragic love story, her own life unravels. Dad's behavior becomes erratic, her best friend grows distant and even hostile, and a boy from her past returns with a life-threatening secret of his own. If ever a girl needed her mother, it's now. The pen might be mightier than the sword, but are a mother's words strong enough to slice through years of hidden pain? Can those words reach through the battlefields of the past to change MacKenna's future? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
