AU-2 Guidelines for Command

By Air Command and Staff College

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 284 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. FROM THE PREFACE: Squadron command is often described as the best job in the Air Force. It is also one of the most demanding. Commanders are entrusted with incredible power in terms of legal authority and personal influence and it is critical you honor that trust by commanding effectively with balance, purpose, and dedication. As the commander, it is your responsibility to set the tone, establish priorities, and take the lead. As you meet your daily challenges, remember that ultimately command is not about you or how skilled you are in your Air Force specialty. Command is about accomplishing the mission and taking care of your Airmen. this guide will help you on your way. there is no all-encompassing checklist or how-to guide for command no manual could hope to be so comprehensive. How you lead your squadron depends on your experience, ideas, goals, values, and willingness to learn. Your past performance has demonstrated that you are up to the task if not, you would not have been selected for command. Even so, you will not know everything before you start, and the job...

Reviews

Extensive guide! Its such a excellent read. This can be for anyone who statte that there was not a worth looking at. I am just effortlessly will get a satisfaction of looking at a written publication.

-- Melvin Hettinger

This book will not be effortless to start on reading through but very exciting to learn. It is amongst the most remarkable book i have got go through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
