Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this book is to describe the many heroic sacrifices made by African-Americans in protecting and serving the nation from its enemies. These acts of valor were made for a nation that was structurally resentful against African-Americans until the triumph of the Civil Rights Movement. Black veterans of World War II were integrally involved in the leadership and sacrifices made to end Jim Crow and it s functionally separate and unequal or inferior treatment of blacks. These veterans of the fight abroad and at home are highlighted, including service medals awarded and those worthy but not yet acknowledged for the highest honors. The road to an inclusive and diverse armed services has taken veterans from humiliation, racial violence, discrimination and resistance to inclusion. This inclusive-ness is not finite as their involvement is now being threatened by disproportionate downsizing and displacement by a private army. Therefore, the struggle that has cost the lives and livelihood of so many black veterans in the past is being challenged along with gains incurred by the Civil Rights Movement, like voters rights. Racial resentment has not been erased, it is subtle rather than overt as it was in Jim Crow America. The book begins in Pre-World War I during the resurgence of the Klan, its racial violence and terror. President Woodrow Wilson endorses a film The Birth of the Nation that glorifies the Klan as White Saviors against the threat of the savage and brutish blacks. Wilson segregates federal employment, services and accommodations. Blacks who have fought valiantly in all of the nation s wars are relegated to non-combat service at the onset of World War I.
