**SCREWTAPE PROPOSES A TOAST (PAPERBACK)**

HarperCollins Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. The only official sequel, penned by Lewis himself, to the ever-popular `Screwtape Letters - published alongside other short essays. One of the most popular books ever to come from the pen of C.S. Lewis was written in the name of Screwtape, a senior devil, experienced in the art of luring his `patients on earth to their own damnation in service of `our father below - and training others to do the same. Screwtape s correspondence with his nephew, an apprentice devil, came into Lewis s hands, he said, by a route he would not disclose, and many a reader has finished the collection longing for more of the insights they gained from its wisdom. Much to Lewis s resistance, this after-dinner speech, given by Screwtape to a graduating class of demons at a college in hell, came to light a few years after the publication of the original letters. Now 75 years later, the speech is reproduced in full once more, along with a short collection of Lewis s other lesser-known, but perennial works. Many people will have forgotten about the only official `sequel that exists to Screwtape; the 75th anniversary of Screwtape s publication is the perfect opportunity to bring this back.
