If you want to do a cross country trip in America, then get How To Plan a USA Cross Country Trip. This step-by-step guide to planning a cross-country trip is a necessary resource for anyone planning to travel across the United States. It is designed for the leisurely traveler, intent on enjoying a full but relaxing and stress-free vacation. The principles involved can be utilized by those who are making a more intentional trip, usually made necessary by family or business circumstances which require a faster arrival on the other coast. These travel planning principles, if practiced for any trip, will result in an enjoyable experience for the traveler. They are: - Plan ahead to plan your trip. You will discover where to find resources for your planning. - Organize the resources and use them to find stopovers. You will learn how to use the resources to find the best places to visit, as well as quality food and lodging. - Organize the findings. You will learn how to prepare lists of these desired destinations. - Explore and discuss the findings. You will learn how to prioritize them according to the preferences of your fellow travelers. - Prepare a schedule for each day. You will learn how to calculate the mileage and time needed for each stopover and to create an annotated schedule for each day. - Be flexible and firm. You will discover the importance of sticking to the schedule as well as the necessity to go with the flow. - Plan for the unexpected. You will learn to anticipate emergencies and delays and how a plan can make it easier to deal with these situations with less...
