John Wiley and Sons Ltd, United Kingdom, 2008. Hardback. Condition: New. New. Language: English . Brand New Book. Introduction to Securitization outlines the basics of securitization, addressing applications for this technology to mortgages, collateralized debt obligations, future flows, credit cards, and auto loans. The authors present a comprehensive overview of the topic based on the experience they have gathered through years of interaction with practitioners and graduate students around the world. The authors offer coverage of such key topics as: structuring agency MBS deals and nonagency deals, credit enhancements and sizing, using interest rate derivatives in securitization transactions, asset classes securitized, operational risk factors, implications for financial markets, and applying securitization technology to CDOs. Finally, in the appendices, the authors provide an essential introduction to credit derivatives, an explanation of the methodology for the valuation of MBS/ABS, and the estimation of interest rate risk. Securitization is a financial technique that pools assets together and, in effect, turns them into a tradable security. The end result of a securitization transaction is that a corporation can obtain proceeds by selling assets and not borrowing funds. In real life, many securitization structures are quite complex and enigmatic for practitioners, investors, and finance students. Typically, books detailing this topic are either too lengthy, too technical, or too superficial in their presentation. Introduction to Securitization is the first to offer essential information on this topic at a fundamental, yet comprehensive level-providing readers with a working understanding of what has become one of today's most important areas of finance. Authors Frank Fabozzi and Vinod Kothari, internationally recognized experts in the field, clearly define securitization, contrast it with corporate finance, and explain its advantages. They carefully illustrate the structuring of asset-backed securities (ABS) transactions, including agency mortgage-backed securities (MBS) deals and nonagency deals, and show the...
