Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

ITANGIBILITIES: POEMS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Revised and expanded August, 2017 Reviews of previous publications: Richard Cronshey's work-- unlike most of the new work I see which seems inhibited by a kind of literary anxiety-- is not only full of the Imagination, but also dedicated to the Imagination. I'm amazed at how Cronshey is able to surprise me from line to line. I have never seen such humor amidst such desolation, such inventiveness in the midst of such disappointment and loss. Larry Levis.1990 The poems of Richard Cronshey bear that peculiar boundary between longing and fulfillment. There is, here, a quietude that is only gained by real experience, and thus, is immutable. In the poems of Richard Cronshey, Time meets time in an unexpected and joyous community. This quality defies convention. As does he. Cronshey lives the old maxim: poeta nascitur non fit, and seems ok by doing so. It's hard to write delicate, reverent poems now, but Cronshey does so with a grace born of midnight bus stations and the barely tolerable knowledge of the instant. Thus they are true diamonds, back when adamant was the root of that word: they are light without lie, unflinching, how looking upon anything with true, unsentimental love burns, but you turn not away. Reading the poems of Richard Cronshey can only largen your life. You must do so. Sundin Richards 2011 I admire Cronshey's vivid understanding of the parallel lives of anger and tenderness, savvy and innocence, deprivation and glory. Cronshey is already an artist of accomplishment and maturity. His work is always intelligent, but never academic.always speculative, but never frivolous. always visionary, but never obscure. The fact of his work and the scope of...
