Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Dodge Foundation Poets Edwin Romand and BJ Ward have praised Kerri Nicole McCaffrey s poetry. Now, Kerri has broken new ground with her fourth volume of poetry! Raspberry Summers and the Brush of Thorns contains deeply lyrical poetry played out in rural and wilderness settings. Kerri Nicole s stated purpose is to show the healing power of nature and to offer readers the chance to revisit their childhoods in order live a more joyous present. Her experience in finding God s reflection in the beauty of nature, however, is also inescapable. Kerri Nicole McCaffrey was educated by the monks of St. Meinrad, Indiana, and has carried their deep sense of contemplation and community into her own life. It is a practical spirituality that guides her words--an earthly mysticism. Kerri Nicole allows us to find Divinity reflected in nature, in our past experiences, and most importantly--in our interactions with others. Kerri Nicole McCaffrey has been compared by Dodge Foundation poet BJ Ward to both Mary Oliver and to Henry David Thoreau. While true, thematically and stylistically her poetry might also appeal to fans of Jane Kenyon, Wendell Berry, and Edna St. Vincent Millay. She is a poet of everyday experience, giving meaning to the mundane and echoing the music of mountains. Kerri Nicole McCaffrey s poetry is often set in ravishing places--wild rivers, deep balsam forests, and in the endless fields of spring. You will enjoy this volume immensely, and will come away changed. Raspberry Summers and the Brush of Thorns is not the verse of escape, but rather the poesies of facing life and finding beauty despite its challenges. It is the poetry of transcendence....
