Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Study of Alternatives Environmental Assessment: May, 1992; Georgia O keeffe The National Park Service does not manage any of the lands included in the study area. One of the purposes of this study is to determine if any lands within the study area would meet the criteria for creation of a new unit of the national park system, or if they might more appropriately be marked and interpreted by other public agencies or private organizations. The following alternatives were determined in consultation with agencies and private landowners in the study area.
