Cast Professional Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. The new Every Student Succeeds Act governing K-12 education in the United States defines and endorses Universal Design for Learning (UDL) as a framework to help achieve greater opportunity and academic achievement for all learners, including those with disabilities, English learners, and gifted and talented students. In this book, Novak and Rodriguez, veteran school administrators, provide school leaders and educators with a guidebook for putting the UDL framework into practice.
