West Virginia University Press, United States, 2007. Hardback. Book Condition: New. 292 x 180 mm. Language: English . Brand New Book. Karton Kings is the first monographic and comprehensive analysis of the graphic artwork of Simon Grennan and Christopher Sperandio. This work showcases a collection of full-color images excerpted from comic book projects, videos, billboards, and more of the artists collaborative public contributions created over the past fifteen years. To supplement the images an interview with the artists by Kristina Olson is included, along with essays by Joshua Decter and Paul Krainak. Grennan and Sperandio work together by conspiring about their creative ideas on the Internet. Their teamwork must be done this way because Grennan lives in England, while Sperandio lives in the United States.
