## Chinese Scalp Acupuncture (Paperback)

By Jason Jishun Hao, Linda Lingzhi Hao

Blue Poppy Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. This new book could make a difference in the life of a patient when no other therapies will help. The authors, who have a combined 60 years of experience using Chinese scalp acupuncture, have composed a thorough clinic manual for practical clinical applications of scalp acupuncture to treat patients who suffer from seriously debilitating conditions such as the sequelae of stroke, phantom limb pain, PTSD, Meniere s syndrome, multiple sclerosis, herpes zoster, seizures, essential tremor, and Parkinson s Disease. The authors begin with an introduction to the neuroanatomy and neurophysiology of the brain and scalp for non-Western medical practitioners. They review Chinese medical theories supporting the use of scalp acupuncture, provide thorough explanations of area locations and uses, and include details of needling technique specific to scalp acupuncture. There are over 40 case studies with treatment details, as well as excellent illustrations of each treatment area.
