Most people don't fulfill their childhood dreams because they stop believing in themselves. Fourth Down and Long is an inspirational look at one man's desire to reach his goals--despite life's adversity. From the time he was a small boy, author Tony Lotti dreamed of being a collegiate All-American football player and one day playing in the rough-and-tumble world of the National Football League. Despite a serious car accident, followed by emergency appendectomy surgery, nothing could compete with Lotti's desire to achieve those dreams. Inspired by his faith and family, Lotti remains steadfast through the ups and downs of life. No matter what your profession or status in life, Fourth Down and Long will encourage you to never give up on your dreams or the search for happiness--no matter how impossible it seems.
