*It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## PRINCESS OF PAIN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Princess of Pain is my very first book of poetry. I have written poetry since childhood as a form of release I have found it at times very therapeutic. The first three poems are completely fictional, the rest is separated into 6 separate sections each section covering a different area of my life. Some of my poems have additional notes. Princess of Pain is a dark journey through homelessness, domestic violence, sadness/loneliness, anger, love and loss. At times this book can be very sad and negative at times it can be playful and humorous but at all times it is honest straight from my heart to yours.
