Createspace, United States, 2010. Paperback. Book Condition: New. Expanded. 249 x 175 mm. Language: English . Brand New Book ***** Print on Demand *****.The California Teacher Review for the CTET* Exam was developed with the specific goal of helping teachers prepare for the CTET Exam and qualify for the English Learners and Bilingual Authorizations (formerly CLAD and BCLAD). With this review guide, we have made passing all three CTET subtests possible without having to spend considerable amounts of money and time on preparatory courses. It follows the CTET standards and thoroughly addresses those concepts that the CTET exam evaluates. The extended edition is a new revised edition that also includes over 50 pages of practice questions and answers. Through the use of California Teacher Review(tm) for the CTET Exam, you will be able to prepare for the CTET 1, 2, and 3 tests in roughly four weeks. It covers the following major topics: 1) phonology and morphology, 2) syntax and semantics, 3) the evolution of languages, 4) language discourse, 5) language pragmatics, 6) language development, 7) assessment and instruction, and 8) culture and academics. All information has been thoroughly researched and organized in an easy to follow format. The guide also provides excellent examples linked to key instructional strategies that will prove useful in tackling the CTET constructed response questions. Each section also includes a glossary of CTET specific terminology and there is an end of guide index that allows for easy browsing.
