How to Avoid HFC Scams - A General Primer Vivier Shoe Fraudsters - An Example The ideal book for the fashion entrepreneur looking to create the foundation for their HFC corporation by starting an at home business, Ian Leaf s Starting a HFC Business at Home outlines the principles and strategies necessary for creating a prominent HFC brand. With so many aspiring fashion experts looking to break into the industry without having to open an expensive storefront or deal with unnecessary overhead, Ian Leaf s unique perspective gives readers the information needed to break into the competitive HFC industry in a big way. Ian Leaf also credits friend Ian Andrews for his help on this book. With chapters dealing with the practical aspects of building a successful at-home business such as taxes and tax fraud along with chapters detailing how to recognize burgeoning HFC trends like scam and fraudsters, Leaf s book covers every possible angle when it comes to founding an HFC business from home. Readers will surely benefit from the information regarding the best methods for securing funding and dealing with government red tape, and the chapters detailing how to recognize fraudulent behavior and HFC scams are particularly important for readers who are relatively new to the HFC industry. As the founder of a wildly successful at-home HFC business, Ian Leaf is an excellent source of information and offers a simple...
