

Modern Biologic Therapeusis: A Concise and Practical Treatise on Biologic Products for the Use of Practitioners in the Modern Application of Immunology to Therapeutics (Classic Reprint) (Paperback)

Filesize: 6.91 MB

Reviews

This publication is fantastic. It is one of the most amazing publication i have got study. I am just pleased to explain how this is actually the best pdf i have got read through in my individual lifestyle and could be he finest publication for possibly.
(Mr. Kristoffer Hills)

MODERN BIOLOGIC THERAPEUSIS: A CONCISE AND PRACTICAL TREATISE ON BIOLOGIC PRODUCTS FOR THE USE OF PRACTITIONERS IN THE MODERN APPLICATION OF IMMUNOLOGY TO THERAPEUTICS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Modern Biologic Therapeusis: A Concise and Practical Treatise on Biologic Products for the Use of Practitioners in the Modern Application of Immunology to Therapeutics The object of this book is to furnish the busy practitioner with an outline of the historic development of medicine; to give him many important facts which may be of use in his professional work or which may be desirable for him to know as a part of his medical education; and to provide him with a handy reference compendium on vaccine and serum therapy. In submitting this work to the medical profession, our aim has been to state concisely and accurately the present understanding concerning the clinical application and value of immunology; and to present the subject in such a manner as to be of the most assistance to the practitioner. The scope of this little volume is not intended to embrace a complete description of all biologic preparations used in the practice of medicine; but only such products as are prepared by our laboratories have been discussed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
