We live in a world of false pretense. We walk amongst each other pretending we are ok and have risen above the things that impede our happiness, and refute judgement. The truth is we are all humans. We are subjected to circumstances that are incomprehensible, and at the end of the day - we all seek out the opportunity to be understood. The details found within these pages aren t meant to solicit sympathy, or even understanding. But more to offer the reality to those who feel isolated and compartmentalized from the rest of the world, a moment of solace. You won t relate to everything written here. But without a doubt, you will be provoked to consider your own circumstance in a different light. Even though I play June 22 over and over and over in my mind, it comes in short bursts of intensity, like lightning in a desert thunder storm. I find myself completely detached from reality for a few moments, just long enough to paint the image, and send me reeling. I remember every detail; each one burned into me like a brand I can t wash away. Things that shouldn t have any significance are now the things that threaten to destroy my life daily. Paint the Sunrise is a gripping story of tragic loss, overwhelming grief, and learning to live again. In sharply written detail, author Carrie Mae Messerly recounts the harrowing circumstances of a preventable automobile accident that claimed the life of her four-year-old son, Koley, when he was killed just four feet in front of her. In striking, direct prose, the book brings to life the horrible moments of this traumatic...
