Unfortunately, Silver seems to be having some difficulty letting go of the Hunter Division. Convinced that there s something lurking in a strip of uninhabited Old World land outside the Rec Zone s boundaries, she begins to obsess over weird footprints, strange shadowy encounters and stolen laundry. She calls it detective work. Alex calls it cabin fever. Either way, things are about to get weird. Silver s on the brink of something that promises to be either a fascinating new discovery or complete madness, and she s not about to let the threat of some R-and-R and the fact that she s supposed to be on vacation get in the way of her exposing this peaceful island paradise s dirty little secrets.
