Penguin Clasicos. Paperback. Condition: New. 416 pages. Dimensions: 7.4in. x 5.0in. x 1.1in.La emoci n, la belleza, el sentido tr gico y al mismo tiempo grotesco de las grandes pasiones humanas hallan en La Celestina una de sus m s intensas expresiones. El loco amor de Calisto y Melibea, enhebrado con los hilos de una bruja, Celestina, culmina fatalmente con la muerte de ambos. Fernando de Rojas es capaz de contarnos esta historia con una habilidad insospechada, que ata al lector a un texto poderoso y magn fico y que obra el milagro de llenar de pasi n la lectura misma. Esta edici n incluye una introducci n que contextualiza la obra, un aparato de notas, una cronolog a y una bibliograf a esencial, as  como tambi n varias propuestas de discusi n y debate en torno a la lectura. Est  al cuidado de Santiago Lpez-Ros, profesor de literatura espa ola de la Universidad Complutense de Madrid. English DescriptionIn 1492 Christopher Columbus sailed west and stumbled on an unknown continent that came to be called America. Seven years later a book was published in Spain that instantly became a national best seller, running through more than one hundred editions in the following century. It was so popular that, as one well-respected scholar has said: There could have been no one who was capable of reading who did not read La Celestina. It is amusing to imagine that Columbus and his men, after returning to their homeland, very likely read this book or attended public readings of it. And that likelihood only increases when we remember that the explorers of the western coast of this New World were avid readers of other Spanish works, and named a large body of land after a fictional region found in another novel of that same time, calling it California. La Celestina, published anonymously in 1499, in...
