Random House. 1 Paperback(s), 2005. soft. Book Condition: New. (Winner of the 2006 PEN/Faulkner Award; National Book Award Finalist) This is the late E.L. Doctorow's magisterial novelization of William Tecumseh Sherman's 1864 march through Georgia and the Carolinas. Sixty thousand Union troops cut a 60-mile swath of pillage and destruction that effectively ended the South's ability to carry on with the Civil War. Epic in scope, with a huge cast of soldiers and civilians, men and women, freed slaves and dispossessed landowners, this "Iliad-like" novel, according to the New York Times, "welds the personal and the mythic into a thrilling and poignant story." 363.
