

Flags

By Boris Poplavsky

Shearsman Books, United Kingdom, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. Flags was the only volume of poetry published by the Russian emigre poet Boris Poplavsky (1903-1935) during his own lifetime. A significant Surrealist volume, it is one of the lost creations of a man who has been called the greatest of the Russian emigre poets. Now recovered by Russian literary experts and re-edited for a new public, Poplavsky is gaining the readership that eluded him in his lifetime. Unusually, this book presents the complete contents of the original volume (Paris , 1933), rather than presenting a Selected or some other overview, and thus opens a window onto a fascinating and unfairly neglected figure.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
