

Motherhood in Black and White (Paperback)

By ViAnn Prestwich

KR Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is a story of motherhood, adoption, failed adoptions, race, and love. A must read if you ve ever loved a child. Professional Endorsements: This book shines with the author s humanity, wisdom, and intelligence, along with a sly humor that made me laugh out loud several times on each page. Read it and be reassured that there is hope for the world after all. Four of ViAnn five children are adopted and one is not. Like Crayolas, the five range through colors from peach to dark brown, and the book tells the story of shepherding them through the years from birth to all grown up. Like every mother, adoptive or otherwise, ViAnn worries about how to do it right. She struggles with the conflict between her simple - simple? - love for her kids and the esteem-challenging monkey wrenches that life, culture, and the community throw at her. It comes as no surprise that, in addition to the usual parenting issues, the mixture of the children s colors elicits gratuitous commentary from friends, relatives, and random passersby - commentary that (again,...

Reviews

Unquestionably, this is actually the greatest function by any author. I was able to comprehend every little thing using this created e ebook. Its been printed in an remarkably straightforward way which is merely following i finished reading this ebook in which in fact altered me, alter the way i think.
-- Arianna Witting

An exceptional book as well as the font used was exciting to read. It is actually rally intriguing through reading time. You will not sense monotony at anytime of the time (that's what catalogues are for about when you ask me).
