Check with the seller before completing your purchase. For courses in Developmental Reading. This package includes MyReadingLab(TM). Builds on the skills for college reading success Bridging the Gap encourages students to build on their previous reading experience to develop strategies for the demands of college reading. The authors help students create schemata through numerous academic readings and videos, and ultimately build new bridges with text-to-text, text-to-world, and text-to-self connections. At the same time, fundamentals are strengthened through comprehensive skill instruction, critical-thinking activities, dependable exercises and examples, vocabulary development, and abundant high-interest readings. Each chapter introduces...

## Reviews

Extensive guide! Its such a excellent read. This can be for anyone who statte that there was not a worth looking at. I am just effortlessly will get a satisfaction of looking at a written publication.

-- Melvin Hettinger

This book will not be effortless to start on reading through but very exciting to learn. It is amongst the most remarkable book i have got go through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Easton Collier DVM
