Unfortunately, we are not always sure where to look for them. We read and study the Scripture and appreciate the revelations we find in God's Word. After all, the Bible was written to reveal God's plan for humankind. But sometimes we want something a little closer to home. We want an answer to a personal question or situation. We want something designed specifically for us. In His Gems Discovered, author Leonia M. Durham shares her enthusiastic life adventure, complete with roadblocks and danger. It is an accumulation of many years of walking with the Lord. On Durham's walk, something new would and continues to be revealed to her whenever the need arose. The gems revealed always allow her to understand clear answers for whatever hardships she faced at the time. Durham's approach to life is told in His Gems Discovered through positive, delightful, and sometimes humorous anecdotes. You will find God's answers to your problems come through His gems.
