Brand New Book ***** Print on Demand *****.Excerpt from Record of the Class of 1894, And, Secretary s Report No; V: For the Fifteenth Anniversary To the Class of 1894: The Secretary had intended to have this Fifth Report ready for the Class in time for our Fifteenth Anniversary. Chiefly owing to belated replies, he has postponed publication until now. This volume differs from its predecessors in omitting certain features and including others. In particular, it includes from somewhat over 200 men, opinions on the elective system and other aspects of college life, which are treated in summary on pp. 362-368 infra. The biographies include in all cases the names of a man s parents, place and date of his birth, and the school at which he fitted for college. Whatever a man has cared to say of his ancestry or his experience at college has generally been included. Nothing has been added from the Class Lives accessible to the Secretary; he does not draw from them except for obituaries. He has excerpted now and then from material printed in previous Reports. The biographies are thus intended to include - with, of course, a few non-essential alterations and omissions - such a record of a man s entire career as he wishes now to present. This plan naturally swells the volume, enforcing certain omissions. Special lists of deceased, and of married men, are not given; the former may be found in the initial list of the Class, the latter in the address list, where the letter M is affixed to the name of each married man. This device will be found convenient by the few men (201 out of the 507 living) who are...
