It sounded just as much exotic as it did foreboding for Gary Taylor, Kevin Rooney, and Frank Costello, three airmen assigned to a military base in the Canal Zone during the 1970s, who soon became enraptured with its beauty, danger, and adventure; for Buck Smith, an analyst for the CIA it was a constant source of frustration and anguish as he followed the meteoric and deadly rise of Manuel Noriega. Things become complicated when the airmen cross paths with one of Smith s associates in Panama City and the lives of these individuals become intertwined in drugs, deception, and death. The airmen will be forced to face their demons, but doing so only leads to more strife. Friends will become enemies. Old hurts will resurface. The death toll will rise. No one will emerge unscathed.
