Brand New Book ***** Print on Demand *****.Excerpt from Working Arrangements of Fruit and Vegetable Processing Cooperatives Cooperative managers are well aware of the movement toward increased concentration of manufacturing and marketing in the food industry. Most cooperatives lack the size, financial resources, and line of products necessary to compete with the large national and multinational food companies. Many cc-ops seek ways to more fully exploit the capital, technological, and managerial resources at their disposal to better satisfy the income expectations of their farmer-owners.
