## LE TOURNANT DIGITAL BOUSCULE LE RITUEL PROFESSIONNEL DES JOURNALISTES

Condition: New. Publisher/Verlag: Éditions universitaires européennes | La presse électronique, au Maroc, vit au rythme d’une évolution assez particulière, à l’instar de ce qui se passe sous d’autres cieux, néanmoins, avec quelques particularités. Dans ce contexte, le monde de la presse se trouve diamétralement transformé en menaçant le mode de vie professionnelle des journalistes. Evolution qui a poussé des entreprises de presse à se doter, parallèlement aux journaux papier qu’ils éditent, d’une version digitale. Ce qui a des effets directs sur les journalistes qui se sont retrouvés dans des rédactions avec deux têtes : une rédaction avec pour objectif de remplir le journal papier et une autre pour remplir, de manière techniquement différente, le journal électronique. Ce travail essaie ainsi de répondre à certaines questions pour savoir à quel point la traditionnelle presse écrite se trouve-t-elle menacée ? Mais, surtout, de savoir à quel point ces changements ont-ils un effet sur les traditions de travail des journalistes et leur situation professionnelle ? Est-ce une mutation qui leur est favorable ? Cela engendre-t-il une nouvelle organisation de travail ? Est-ce que les heures de travail des journalistes se trouvent-elles multipliées ? | Format: Paperback | Language/Sprache: fre | 52 pp.
