THE CATFISH FACTORY (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.This is one of many volumes, of conversations with various people. It will show you, the reader, how people today would rather have any kind of contact to cure their loneliness. It does not matter whether they really get to meet the person they are talking with, or even speak to them on the phone. As long as there is some communication, these people just love the idea of love and romance even if its only in words. These volumes will take you into a journey of love, happiness and sadness, and what these people did not realize is that the person they were falling in love with was not real. The moral is that one really needs to make sure they know who they are speaking with on the internet before falling in love.
