

The Divine Keys: Illuminating the Path to Oneness (Paperback)

By Robin H Clare

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Come and teach with me where I AM, Yeshua beckoned Robin once again. She listened in awe as this highly-revered Ascended Master (most often referred to as Jesus) had returned with another request. Robin Clare had successfully completed Yeshua's request to write her first book, Messiah Within - A Guide to Embracing Your Inner Divinity. In this second request, He was asking Robin to expand beyond her role as spiritual author into the role of spiritual teacher. It was not enough to just talk the talk of Spirituality as an author. Yeshua was asking her to walk the walk of Spirituality as a teacher. To move from talking to walking required Robin to align her day-to-day life with her spiritual life. It was from this place of alignment that she unlocked the 18 Keys to living a life that is connected and guided by the Divine.

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
