Excerpt: . . . 16 Liturgy, which was translated into Latin on purpose that he might revise, give his opinions and corrections; and many and material alterations were made accordingly, at his suggestion, and by his advice. In fact this may be said to have been the formation of the Liturgy, or book of Common Prayer: and from its validity, the whole validity of the English succession hangs. For king Edwards first book was in truth, what king James was pleased while a Scotch king to designate the present Liturgy⁵ itself, little more than an ill said mass: but in this it assumed substantially its present form; there were alterations in Queen Elizabeths book, as since also; of which some have approved, some thought that they were to conciliate the then Papists; but any one who will take the trouble of comparing them, will see, that the second book of king Edward may be considered substantially as the settling of the Liturgy. Moreover, all the first bishops of Queen Elizabeth were ordained according to this book; that is, on the principles of episcopal succession, in effect, all: and some having called in question the validity of their ordination, it having been abolished by Queen Mary, and not legally revived, an act of parliament was passed against those who should dare to impugn the validity of what was done under that book. One circumstance or two more may be mentioned to shew the estimation of Bucer, and, if need be,...
