

Grunt Hero (Paperback)

By Weston Ochse

SOLARIS, 2017. Paperback. Condition: New. Language: English . Brand New Book. It is a time for heroes, for killers, for Grunts. In this thrilling conclusion to the breakout military SF series, we find Earth plagued with millions of miles of terraformed cities, black vines crushing concrete, revealing iron and steel. Those unable to escape the vines are empty vessels waiting to be filled, living storage for alien algorithmic thought. What else can happen? What more can be done? This has always been a time for for heroes, for Killers, for Grunts, but are they enough? Benjamin Carter Mason will be asked to return to OMBRA to help them find these answers, and what he finds will send him over the edge. In the end, his efforts won t be about survival, they ll be about revenge, and his revenge will be served in a blaze.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
