Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This volume contains papers from the 16th ITAT conference, which took place on September 15-19, 2016 in Tatranske Matliare, Slovakia. ITAT is a computer science conference with the primary goal of presenting new results of young researchers and doctoral students from Slovakia and the Czech Republic. The conference serves as a platform for information exchange within the community, and also provides opportunities for informal meetings of the participants in a mountainous regions of the Czech Republic and Slovakia. The traditional topics of the conference include software engineering, data processing and knowledge representation, information security, computational intelligence, theoretical foundations of computer science, distributed computing, natural language processing, and computer science education. The conference accepts papers describing original previously unpublished results, reports of significant work in progress, as well as reviews of topics of special interest to the conference audience.
