The Jungle Book is a collection of stories by English author Rudyard Kipling. The stories were first published in magazines in 1893-94. The original publications contain illustrations, some by Rudyard's father, John Lockwood Kipling. Kipling was born in India and spent the first six years of his childhood there. After about ten years in England, he went back to India and worked there for about six-and-a-half years. These stories were written when Kipling lived in Vermont. The tales in the book (and also those in The Second Jungle Book which followed in 1895, and which includes five further stories about Mowgli) are fables, using animals in an anthropomorphic manner to give moral lessons. The verses of The Law of the Jungle, for example, lay down rules for the safety of individuals, families and communities. Kipling put in them nearly everything he knew or heard or dreamed about the Indian jungle. This item ships from La Vergne, TN. Paperback.
