This book will change your life, change your perspective of career and bring reality to your life's purpose. It chronicles the defining moments of two people who made life-changing decisions to embrace multiple fears and obstacles and use them to dream bigger and seek a more fulfilling simpler life. It is a story of a meeting so profound that they left their high-powered corporate careers, Bob as a high-tech CEO from Silicon Valley and Wendy as a VP of Coca-Cola, to be together and build a new life. It is a story about checking out of the go-go fast-paced life of highflying executives and checking back into life. It is a story of true love, the defining moments that brought them together and a new simpler life of love, balance and being on purpose. It is a fast read for those with fast lives. The message will slow you down and help you learn to appreciate the better things in life. This may very well be your escape vehicle back to humanity, life and love.
