Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Systematic reviews often assess the comparative effectiveness and safety of health care interventions. To be most useful to users, systematic reviews should include estimates of the potential benefits and harms that are important to decisionmakers. Quantitative approaches for the assessment of benefits and harms may enhance, support, and facilitate how decisionmakers use systematic reviews. Previously, we prepared a report...
