A story of a crime family operating in the years 1900s. The family of Don Carlo Santana is head to head with another crime family, the infamous Marina Corps, who have dared to interfere in their business on their home turf. Don Carlo Santana is a Godfather, a boss of bosses, who is loved, respected and feared by everyone. He owns many casinos and does gun running, and is involved in many other dangerous and illegal endeavours. No one has dared to poke their nose in his business, on his home turf in a very long time. Don Carlo Santana is cool, calm, ruthless and calculated and pays his crew well. He has a soft spot for those who serve him will, with loyalty and devotion. He does not tolerate incompetence and treachery, the only punishment for those who commit it is death. He is a benevolent master and a tough taskmaster. No one would dare to oppose him, be on the opposite side of the wall. His life code is final, no one is allowed to break it and deviate from it, not even himself. This a story of his life.
