EICC Publications, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. How do we understand and articulate the biblical basis for the pro-life position? How should we respond to the killing of unborn children? The biblical and historical answer to such questions lies in drawing attention to the idolatry which gave rise to our present culture s obsession with death, and demonstrating that life is something rooted in the nature of God, that can only be given or taken on God s authority. This short book is intended to equip Christians with a biblical foundation for why and how to speak up for life, and minister to the vulnerable souls who are considering abortion with compassionate understanding.
