Updated Improved: June 2017 Do you want to learn AngularJS Programming? Do you want a guide that is easy to follow, detailed and written to make the process as effortless as possible? If so, ANGULARJS: Easy AngularJS Programming For Beginners by Felix Alvaro is the book for you! It breaks down the fundamental elements that are essential to make you a confident AngularJS programmer. AngularJS is one of the most commonly used JavaScript framework. Learning AngularJS will help you in better code organization, easier troubleshooting, and more efficient maintenance. And JavaScript is not only vital for running web pages, but also for other external apps such as plugins, flash applications, PDF documents and many others. Did you also know that AngularJS is open-source and is maintained by Google? That means that the language is here to stay and will be developed throughout the years. What Separates This Book From The Rest? What makes this book unique is how easy it makes it for you to learn. The author brings you a guide that takes you through a natural sequence of lessons, step-by-step, carefully explaining each concept and staying away from unnecessary technical jargon and defining the terms you must learn. This one-step-at-a-time approach allows anyone from an absolute beginner to a more knowledgeable programmer to easily grasp each lesson and become more proficient as they progress through the book. In addition to that, this guide also contains images, examples and other tools to give you the assurance you are going in the right direction, as well as exercises that will allow you to retain up to 400 more of...
