Malaika s story questions the concepts of twin flames, soul mates and karmic relationships. It provokes the reader to think of his or her own experiences and find the lessons he or she needed to learn. It teaches men and women that heartbreak and loss is a part of life s journey and it should be embraced because these lessons once learned, moves us a step up the spiritual ladder. It also emphasizes the importance of forgiveness; forgiveness of self and the people who have hurt us. Love is indeed complicated.
