Insight Solutions: Creative Problem Solving (Paperback)

By Gary R Ford Phd

Insight Publishers, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Life is about change and solving problems. Work, relationships and even play present problems and opportunities that need attention and resolution. It s common to encounter situations where what one has is less than what one wants, where one finds him or herself in situations that could be improved. Each of these experiences is an opportunity to engage in effective problem-solving. Most of us grew up solving problems in our own way, likely achieving some success as well as some less than satisfying results. Because we developed our own way, and everyone around us developed their personal way, things get difficult when we try to solve problems together. Too often, problem-solving as a couple or a group involves frustration and produces less than exciting results. However, there are ways to achieve better outcomes both when solving problems alone, and when working with others. Using an effective problem-solving sequence, you can gain new insights, achieve better results, improve the benefits you experience, and stand out from others who struggle along. This book presents an organized problem-solving sequence and the techniques to use at each step to...
